

## PEES Power Systems

# 150kW Battery Storage Cabinet

## Overview

---

This HV Battery Storage for Solar is available in a variety of capacities ranging from 512V - 819V and can be used in conjunction with a high voltage 3-phase inverter for energy management, power backup, and bill savings. 150 kWh battery price, commercial battery backup systems, modular battery storage, commercial solar power storage batteries Max. Battery Quantity in Parallel: 5 (in a BMS system) Cycle Life: □6000 Times. The system features 100KW power output and 215KWh energy storage capacity, offering businesses an efficient energy management solution that helps optimize energy consumption. Q:Can you supply OEM &ODM service?

A:Yes, but there is a minimum order quantity required. Q:Can you ship your battery products by sea or by air ?

A:We have long-term cooperated forwarders who are professional at battery shipment. Q:How long is the warranty?

A:Our warranty is from 5~10 years. Q:Why. □ 150+ Country Coverage Global service networks + French-speaking EU support teams. □ Extreme Climate Ready IP54 protection with reliable operation from -20°C to +50°C. Whether you're integrating renewables.

## 150kW Battery Storage Cabinet
