## Overview

---

Nestled in the heart of Europe, the Salzburg Energy Storage Industrial Park has become a cornerstone for renewable energy development. For generation of traction current, see List of installations for 15 kV AC railway electrification in Germany, Austria and Switzerland. For that of Mariazeller Bahn, see Mariazeller Bahn#Power Supply. ^ "Other Steam-Electric Plants in. VERBUND subsidiary Donaukraftwerk Jochenstein AG has had its plans approved for the Riedl energy store. The Riedl energy store's pumped storage power plant with a flexible power of 300 MW has been in the process of gaining planning approval since 2012. The project has a power output of 12 MW and storage capacity of 24 MWh.
