

## PEES Power Systems

# Bulgarian local energy storage battery company

## Overview

---

The manufacturing of the fully-integrated battery energy storage system (BESS) – Exeron (X-BESS) by Bulgaria-based International Power Supply (IPS) was on Tuesday officially awarded a strategic project status under the Net-Zero Industry Act Regulation (EU), which aims to boost the. The manufacturing of the fully-integrated battery energy storage system (BESS) – Exeron (X-BESS) by Bulgaria-based International Power Supply (IPS) was on Tuesday officially awarded a strategic project status under the Net-Zero Industry Act Regulation (EU), which aims to boost the. In 2024, GSL ENERGY completed a 7.45 MW battery energy storage system (BESS) in Bulgaria, which is used in conjunction with a large-scale solar photovoltaic power plant to provide stable, clean electricity to remote areas. They are reaching out to European Start-Stop (12V) battery and Energy Storage System. The project “BG EXERON X-BESS” in the field of batteries and technologies for energy storage and one of its goals is to support energy independence throughout Europe. Chinese technology provider Sinexcel has completed the installation of a 10 MW battery system with a storage capacity of 33.

## Bulgarian local energy storage battery company

---

### Innovative Battery Storage Manufacturing Project of the Bulgarian

BG EXERON X-BESS is an electric energy storage system in batteries, fully developed on the patented technology of International Power Supply (IPS). Production will take place in the Hemus

...

---

### GSL ENERGY's Battery Energy Storage System (BESS) and Solar ...

In 2024, GSL ENERGY successfully installed a 7.45MWh industrial-grade BESS energy storage battery system in Bulgaria, integrated with solar photovoltaic power generation, to provide ...

---

### Bulgarian Battery Production for Energy Storage for Clean ...

BG EXERON X-BESS is a system for electric energy storage in batteries, developed based on patented technology by International Power Supply AD (IPS). The production will be

...

## Sigenergy debuts large-scale Bulgarian energy storage project ...

The Shanghai-based manufacturer has installed 90 SigenStacks at a solar project in Malko Tarnovo, Bulgaria, near the Turkish border. Each unit features a 110 kW hybrid inverter, ...

## Energy Minister Stankov Opens EU's Largest Local Battery Storage

Energy Minister Zhecho Stankov inaugurated the EU's largest local power-storage facility in Lovech, the Energy Ministry press service said on Thursday.

## Bulgarian SME offers sodium-ion battery cell technology under long ...

General information Short Summary An innovative Bulgarian SME is specialised in the development and production of sodium-ion battery cells as safer, longer-lasting alternatives to lithium ...

**LPSB48V400H**  
48V or 51.2V

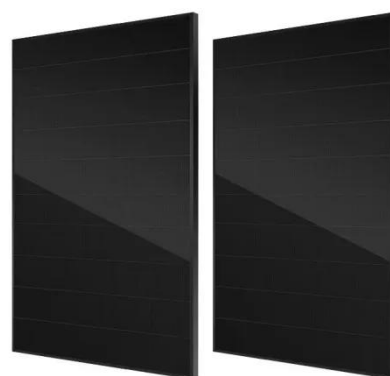

### **SINEXCEL Supports 10MW/33.86MWh Energy Storage Project in ...**

This Bulgarian project further cements the company's technical strength and its ongoing commitment to enabling a resilient, sustainable, and economically viable energy future. About SINEXCEL Founded ...

### **Largest battery storage system in Balkans commissioned in Bulgaria**

The Bulgarian city of Lovech, northeast of Sofia, hosts the strongest battery energy storage system (BESS) in the Balkans. The Ministry of Energy even said the new facility, with a ...

### **Bulgaria: Sinexcel commissions 10 MW battery storage project**

**to ...**

By delivering fast-response balancing services, the battery is expected to improve local grid stability and make electricity trading more efficient. For Sinexcel, the Bulgarian project supports its ...
