

PEES Power Systems

Chint photovoltaic panel authenticity verification query

Overview

Go to the PV Support section on the JinkoSolar EU website. You can find it in the main navigation menu under 'Contact' or simply click button below Enter the module's Serial Number (SN) – a 24-digit code. Our Serial Number (SN) Verification Tool enables JinkoSolar customers and partners to confirm the authenticity of their JinkoSolar modules. This ensures they have received a genuine product, preventing fraud and ensuring compliance with warranty and certification requirements.
