How much does a 50kW outdoor telecom cabinet cost at an Australian airport

Overview

Prices for outdoor telecom cabinets as of 2025 can run anywhere from \$900 to \$5,000, depending on design, materials, and integrated systems. Let's break that down: Why such a wide range?

Because not all cabinets serve the same function. The Delta Outdoor series offers several size options, ensuring right dimensions for telecom equipment. A flexible configuration is the way to tailor. If you have ever wondered why prices for telecom outdoor enclosures can be so different or whether it is worth investing in a solar telecom cabinet, here is the guide that explains all of this in detail. What is an outdoor telecom cabinet?

Before jumping into costs, let's clarify what we are. The market for outdoor telecom cabinets was valued at USD 5.1 billion in 2024 and is projected to reach USD 8. Designed to protect your equipment from rain, dust, and extreme temperatures, our waterproof and customizable solutions ensure reliability in any environment.
