

**PEES Power Systems**

# **Indian Mobile Energy Storage Container Off-Grid Manufacturer**

## Overview

---

APPL manufactures BESS containers in customizable formats—from basic enclosures to fully integrated systems with fire suppression, cooling, and energy management. Built for extreme environments, these units deliver reliable power even in off-grid or critical infrastructure scenarios. BESS. India's Battery Energy Storage System (BESS) sector is accelerating at an unprecedented pace. As of September 2025, the country has installed over 204.6 MWh) of BESS capacity, a significant leap from earlier years. With increasing government support and clear targets, India's BESS market has increased, and installations rose from 51 MWh in 2023 to over 341 MWh in 2024 (source) The government. Quintinno Labs is a clean-tech startup developing compact and affordable portable power stations to replace bulky, expensive, and polluting diesel generators. In emerging economies with frequent power cuts, DG sets serve as the only energy backup solution.
