Lima Super Lithium Capacitor Manufacturer

Overview

LICAP Technologies is a world-class manufacturer committed to producing market leading energy storage solutions including supercapacitor & lithium-ion capacitor products. Here are the top-ranked lithium-ion capacitor companies as of February, 2026: 1. SPEL TECHNOLOGIES PRIVATE LIMITED, 2. We also conduct research and development to identify innovative new materials and processes to improve energy storage device performance and reduce. Lithium Ion Capacitors (LIC) are long life, maintenance free energy storage devices that can be used in a variety of systems and applications. LIC's are ideal in situations where battery maintenance and replacement are inconvenient, costly or impossible. Top 10 supercapacitor companies in China Company profile: LICAP is. Our SPICE models and design simulators let you simulate real-world performance, so you can explore, refine, and perfect your designs with confidence. You can also contact our distributors directly for any sales enquiries. Simply choose your region below. Explore CAP-XX's ultra-thin.
