## Overview

---

Malta's premier solar battery solution for complete home energy independence. Highest-rated efficiency, longest warranty, and unmatched reliability for Maltese homes and businesses. Experience unparalleled safety with our multi-layered protection system, featuring industrial-grade LiFePO4 batteries. Virtue Solaris offers its clients a range of unique battery energy storage solutions based on high voltage lithium ion batteries produced by renown electronics manufacturers such as Sungrow and Huawei. These batteries can accumulate surplus energy produced by a PV system during the day, and release. A battery storage system is able to store unutilized energy generated from your solar panel system. Big adventures call for serious power.
