. Solar leases offer an accessible path to solar—but they're not for everyone. Why trust EnergySage?

What is a solar lease?

Is a solar lease right for you?

Want to go solar while keeping your cash free for other priorities?

Solar leases make that possible. A solar lease lets you enjoy clean, reliable power without the upfront cost or long-term. A solar panel lease is a great way to enjoy the electric bill savings of a solar panel system without the upfront cost. Solar panel leases aren't for everyone, so review your situation to determine if it's the right decision.
