

## PEES Power Systems

# Portugal s home energy storage companies

## Overview

---

This article ranks the top 10 energy storage companies in Portugal, with a particular emphasis on the most active developers and solution providers who are advancing the country's sustainable energy agenda. Portugal is increasing its energy storage capacity in order to achieve an 85% renewable electricity supply by 2030. Storage is now essential for assuring round-the-clock reliability and reducing reliance on fossil-fuel peaker plants, as significant solar and wind generation is already operational. By the end of the decade, it aims to install: 20. S&DG Consulting specializes in renewable energy sources aimed at providing cutting-edge energy storage solutions. Learn how these systems empower homeowners to reduce electricity costs while aligning with Portugal's clean energy. GSL ENERGY's new 51. 24kWh wall-mounted battery has been successfully installed and is now operational in Portugal.
