

PEES Power Systems

Price of 19-inch charging station user cabinets in Europe

Overview

Cradle of Sweden charging racks are built according to customer specifications, with the desired amount of charging stations. This charging cabinet will allow you to secure and charge up to 20 notebooks at the same time. A silent system with temperature-controlled self-ventilating fan allows you to cool your computers while charging. A sliding drawer gives you easy access. Check each product page for other buying options. Discover more about the small businesses partnering with Amazon and Amazon's commitment to empowering them.
