

PEES Power Systems

Skopje mobile solar outdoor power cabinet manufacturer

Overview

TU Energy Storage Technology (Shanghai) Co., founded in 2017, is a high-tech enterprise specializing in the research and development, production and sales of energy storage battery management systems (BMS) and photovoltaic inverters. These systems bridge the gap between intermittent solar/wind power and stable grid operations - a critical need as North Macedonia targets. Who makes energy storage enclosures?

Machan offers comprehensive solutions for the manufacture of energy storage enclosures. We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM. This innovative system offers flexible energy storage capabilities that could transform how cities like Skopje balance their energy needs.
