

## PEES Power Systems

# Solar panel rental contract

## Overview

---

Solar leases let you go solar with \$0 down and no maintenance responsibilities, making them accessible for homeowners who want to preserve capital. Contracts often last 20 years or more. You'll probably buy less power from your electricity. A solar lease agreement is a document you use to lease out solar power and equipment to another party. You make a fixed monthly payment for a system that Tesla installs, owns and services.
